Worship When & Where?

I. Restricted?

My worship is not restricted to Sunday morning and at church!

II. Regulated?

My worship is not regulated without Sunday morning and at church!

Worship is my every day, everywhere, in every thing, all the time, and everlasting, response to God!

Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group, for even more benefit.*

1. Describe a recent time, not in church, when you believe you authentically worshiped God.

2. Look at each verse below in context. Why did the person in the passage worship God?

Genesis 24:26

Judges 7:15

John 9:38

Job 1:20

Look back over the circumstances in the passages above. Have you experienced similar circumstances? (Whether you worshiped God or not)

If you did give God worship what effect did it have on you? If you didn't worship God, how might your experience have been different if you had?

3. How would you answer the person who says they believe in God, are saved, and see no need to go to church to worship?

Read Ephesians 4:1-16 & 1 Timothy 3:15. What reasons do you see for being in church?

How important is being in church on Sunday morning to you? Explain.

4. What is the main application of this study, and/or the sermon and its passages, for you?
