  - A. Declare
  - B. Delight
  - C. Desire / drive
    - 1. Unbroken heart and broken relationships
    - 2. Unheard on high
  - D. Deceive
    - 1. Worship with outward appeal (v. 5)
    - 2. And no outreach or mission

Application: For whom am I doing these acts of worship? Am I trying to justify myself and fulfill my sense of what I decide God must accept?

- II. If God directs the worship (vs. 5 - 12)
  - A. Worship liberates (v. 6 and v. 9)
    - 1. My heart
    - 2. And the people within my influence
  - B. Worship acts (v. 7)
  - C. Worship restores (v. 8 - 12)
    - 1. Then, recovery (v. 8)
    - 2. Then, response (v. 9)
    - 3. Then, satisfaction --> rebuilding (v. 10 - 12)

Application: God extracts the obstacles in my heart to deepen my relationship with Him. While transforming me, He uses my worship to transform the needy world around me, drawing others to the obedience of faith.
