## Let's Get Radical!

### I. Why Should I Read the Bible?

All Scripture is from God .

No Scripture came from man .

It's alive !

### II. How Should I Read the Bible?

Find a place of quiet solitude .

As much as possible, make it a daily occurrence .

Take time to meditate on God's Word.

### III. Warnings

Don't put your faith in your habit .

Don't be deceived, do what the Word says .

Be patient .

### IV. Conclusion

Application Questions- These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out

answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group, for even more benefit.

1. Discuss what "Logos" (the Word) means (from John 1)?

What does it mean to you that the Logos of God took on human flesh? Does this give you a different understanding of who Jesus is?

2. Read John 6:63-69. What did Jesus mean when He said His words were spirit and life?

What did Peter mean when He said to Jesus, "You have the words of eternal life?"

3. Read Isaiah 55:10-11 and Luke 4:1-13. Based upon these Scriptures, what is the best way to respond when you are tempted or when someone presents an anti-Christian viewpoint to you?

4. Read Mark 13:31. What impact does this truth from Jesus have on your life when it comes to setting priorities?

5. What are some of the excuses you've used to not take in God's Word on a regular basis? How can you overcome those excuses?

6. What is the main application of this study for you?
