

# Resonate Church, Janesville

Things have really been moving here in Janesville at Resonate Church. Some highlights of what has been happening:

- Meranda and I, along with Judah and Elias, went to a church planting conference in Orlando, FL. We came back from the conference encouraged and intrigued by what God is doing, has already done, and will be doing at Resonate Church. One charge and excitement we have is the training Jesse received, called "Discipleshift". We're looking to implement a disciple-making culture and being intentional about every group and person being a discipling-making people at Resonate. This training was exactly what Jesse was looking for to training leaders!
- Resonate Church has been hosting "Swing Station" once a month where people of the community come in for a swing dance lesson and then have an open dance floor. This has exploded as we reach out to the community. Swing Station has been averaging 70 people the last three months and we've seen some of those people come on Sunday mornings, or get involved in our small groups (it also helped that the Janesville Gazette did a write-up on it!).
- We have formed six small groups and are looking to start more. Praise God! In March, Resonate Church has been averaging 85 in worship attendance including 96 this past Sunday. Our worship services are full of regulars, visitors, and returning visitors that come ready to experience and encounter God.
- Our Beernink family has been extremely busy as well. Malayna, Mariana, Jezaniah, Xylia, Zayden, and Ezekiel are excited for their dance recital coming up next month. They've been working hard on dance; very involved in AWANA at a local church; and learning the tricks of reading, math, and science at Beernink Academy. They do all of this while being moved by the love of Christ that shines out of them. They love Jesus and it shows in what they do.

We covet your prayers Monroe Bible Church family. Here are some specific ways you can pray for us:

- We are beginning membership classes along with our "discipleshift" training. We would love to see our church being filled with the love of Christ, and then having it overflow in everything we do. Our desire is that Janesville is a better place because we exist.
- Planting a church and having a large family can be pressing and challenging at times. Pray for our marriage, our children, and our impact to our Resonate family, and also to our neighborhood and community.
