

Arthur Sommerville
Society for Europe's Evangelization

No, we have not seen thousands of people coming to Christ as what happens when the Spirit of God moves in the nation; however, we are praising the Lord that He is continuing to save souls one by one. This doesn't mean that we have stopped praying for a large building in the center of Paris. We know that God can still save more souls so please, continue to pray that God will show His power in what I believe is the very last days before His return.

Winter did not leave us until the first part of May. Now, with the beautiful weather, everyone is planning their Summer vacation. We know that many will be leaving for 2 or 3 weeks and some even more, but we know too that God can still bring people to the meetings and save souls right through the summer vacations.

Pastor Emmanuel Bozzi took his family and several members of the church for a ten-day visit to Israel. They returned with scores of photos of the different places they visited. They will be showing those in Service. We trust this will be a blessing to the whole church!

Please, continue to pray for our evangelistic team. Composed mainly of four fellows (others join them from time to time), they have had such an impact on the church in Nice, France. We just received word that the Pastor in Nice with a couple of his deacons is going out on the streets to hold meetings! The team is planning to go to Somain in the next couple of weeks. Churches have heard about their ministry and are planning to call them to their church too. When the team is not visiting other churches, they go out on the streets of Paris at least twice a week (and sometimes 3 or 4 times). I pray that they will have enough faith to go full-time for the Lord. One of the four, Jonathan, is developing more and more in his gift as an evangelist.

The whole church here is praying much for all those who are gravely sick that we mentioned in the last letter. In spite of this attack of Satan the church is becoming more united and the joy in the Lord is evident.

May the Lord bless each of you,

Arthur Sommerville

Prayer Focus – Youth Ministry Leader – Pastor Troy Watson Please Pray For:

† Our students are on summer break. We're not meeting for weekly Bible study...pray for students to uphold a regular devotional time with the Lord and develop study habits on their own that will grow their faith on into adulthood

† Wild Man Summer Study has started for the young men. Pray our young men and boys will grow and learn as they meet with their Fathers and Father figures in the summer Tribe discussions this June through August.

† Please continue to pray for our recent graduates of high school. Many of them are working part-time jobs and preparing for college classes. Each student who is leaving Monroe will begin looking for a church where they can worship and be equipped for ministry in their new town. Pray for spiritual courage as they try to live out a life worthy of the call to follow Christ.

Mark your calendar! A **Church Family Campout** at Yellowstone State Park is planned for September 28th – 30th. We have group tent sites reserved. Stay tuned.

Mission: Monroe is looking for volunteers, middle school age and up, to help with the pizza fundraiser for Family Promise at the Concert on the Square. Pizza servers & runners to Suisse Haus needed. Sign up information is at the Welcome Center.

Thank You

Thank you to the 13 people who helped prepare all the craft projects for the Guatemala VBS. The Team couldn't have done it without you!
