

VIKTOR SCHPITS

Our summer was blessed. We had active preparation for a baptism and did repairs on the House of Prayer facility. Five people were baptized this year, four of them – young people. We had a festive service; the grace of God could be sensed! The Lord allowed us to have many opportunities with the youth. We took them with us on visitation to other communities.

Brothers and sisters from Germany visited our church with an outreach program. They held the service, praised the Lord on musical instruments. We invited many unbelievers to this event.

In August a Christian camp was held for the teenagers. Afterwards my sons went to a missionary conference in Almaty as delegates from our church.

A three-day outreach for children was held in our town. Our children went with a visiting team from Karaganda. Bible lessons in the morning, games outside in the afternoon and then fellowship by the bonfire in the evening.

In September we had a Harvest Feast in our church. Many guests came, and everybody rejoiced. We also went to a Harvest Feast in Petrovka village with our group of youth.

So many people die without God, having missed the time of grace. It is very sad that they do not accept Christ. We had invited them to Christ and to church for so long, but they rejected God's mercy. Yesterday a man died who used to be my co-worker in our young years. I had shared the Gospel with him for 20 years. He repented, then backslid and repented again. Before he died he prayed again, and I hope he was sincere.

Our sister in Christ in Akkola asked me to come and pray over a child who has some increasing growth under her tongue. The doctors first diagnosed it as cancer but then at further examination it was not confirmed as such. Praise God for His mercy!

Please pray for my daughter Liya. She had pain in her knees and there's a cyst growing in one of the knees. Some doctors say that she needs a surgery, still others say that it is not needed. However, her knees now cause her more pain.

Thank you so much for your prayer and sacrificial help for our family. I am very thankful to you! May the Lord Jesus bless you and give all of you the strength you need to labor even more for His glory! May the Lord repay you for your kindness and generosity!
