Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group, for even more benefit.*

1. What is the most fearful circumstance that you've ever had to face?

2. Are you facing something right now, or in the not-to-distant future that is causing you to be somewhat fearful? What is it?

Read Philippians 1:12-18. What was Paul's distressing situation? What did he do?

3. When facing fearful circumstances, do you tend to focus more on your fearful circumstance, or our faithful God? If we believe God is a source of strength, how do we find this strength?

What had Paul learned to do? (Philippians 4:10-13)

What did he do in the very stressful situation recorded in Acts 16:19-25?

4. Imagine the most difficult situation you could find yourself in. What would it be? Do you think you would be able to worship God in the midst of that?

What would your worship look like?

5. Do you have faith to believe God will intervene and carry you through your current, or any coming, fearful circumstance? What is your faith, or lack of faith, based on?

Where is David's faith anchored, and why, in Psalm 56?

6. How important is it to prepare now for a fearful circumstance in the future? How are, or should, you prepare?

7. What is the main application of this study, and/or the sermon and its passages, for you?
