

## National School Project Shannon Storm

Summer is here and we are preparing for the 2019-2020 school year. I want to share some awesome stats of what God did this past school year in the lives of high schoolers across the nation. To Him be the glory!

- We had the opportunity to coach 104 schools this year.
- Those schools hosted 213 rallies, and went witnessing a total of 141 times! Over 10,000 students heard the gospel this year. How cool is that??
- As a result, 847 people indicated decisions to follow Jesus this year. That's over 4 students per school day. Praise God!

If I have ever had the privilege of meeting up with you in person to talk about what God is doing through National School Project, I've probably mentioned how I fully believe that we are on the verge of something BIG as a ministry. This year is just another confirmation of God's hand in this mission field. With that, we are preparing to reap an even bigger harvest next year by launching a new campaign. The **Meant for More Movement** is an initiative to give 1 million students the opportunity to hear the gospel in 1,000 days. National School Project has a big vision to reach every student. In order to accomplish that vision, we need to run hard and fast like lives are on the line, because they are. With over 3 million students graduating from high school each year, the time is now. We partner with ministries like FCA, CRU, and of course local churches to see more students come to know the Lord.

On a personal note, Devin and I exchanged our vows before friends and family on June 28. God is such a generous Father, and I am so grateful for the ways He has absolutely lavished His love on Devin and I in this season.

### Here are a few ways that you can be praying for us:

- Praise God that Devin and I are currently both fully funded! We are so grateful for God's provision in this area of our lives, and want to steward that well. Pray that we would steward our finances well.
- Pray that God would go before us as we prepare for *Meant for More* and gear up for the 2019-2020 school year. "Unless the Lord builds the house, those who build it labor in vain." (Ps. 127:1)

Isn't God good? So cool to reflect on His faithfulness over the past year. From getting fully funded, engaged, and then jumping into full time campus ministry... thank YOU for being here and for investing into this mission field with us. To God be the glory forever and ever!
