

Oscar & Karla Chiquito Commission to Every Nation

Karla and I want to thank each of you for your prayers and faithful support to God's ministry in Guatemala.

IGN (Impacting Guatemala Network) has the privilege to help The Voice of God Denomination (VGD) to design a strategic plan focused on discipleship. VGD is a denomination of 135 Evangelical churches located throughout the country. IGN is currently serving 35 VGD churches with the potential to serve the whole denomination. Oscar & Pastor Alex Valladares are facilitating the planning process among pastors. This process will take monthly meetings/workshops from March to July.

IGN continues to implement the Pathway Training to its District leaders. Pathway Training empowers pastors to study and teach God's Word appropriately. In March, IGN hosted Pastors Dan Krahenbuhl and Bob Goodsell who led the 4th training out of nine. IGN's district leaders are now replicating the training to another 60 pastors.

During March and April, IGN had implemented four, two-day Leadership Development retreats with the purpose of empowering pastors and church leaders on becoming disciples in order to make disciples of Christ. Oscar, Eduardo Lejá, and Atilano Palencia facilitated the retreats in the Metropolitan, Central, and North Districts.

In May, Oscar was invited to give a conference on "The Challenges of Christianity in Central America" to a group of 150 pastors from Guatemala, El Salvador, and Honduras. Pray that pastors would become intentional in making disciples of Christ. Pray for wisdom, strength, and courage as Oscar and his team deal with ministry issues. IGN will host four pastoral retreats during May and June, pray that pastors will have a great time to learn, grow, and encourage one another.
