**Prayer Focus – Pipeline Ministry**  
**Ministry Leader: Pastor Troy Watson**  
**Please Pray:**

---

1. For our home-school students and teaching parents, and for our public school students who are in-undated with information from worldviews. Our public school parents need discernment and time to talk with the students about what they're learning, and endurance in creating conversations that are relevant and non-combative.
2. For our married couples to see and practice spouse dating again. Healthy marriages lead to healthy families, to healthy churches, and ultimately a healthy society.
3. For our families who feel pulled towards so many activities and events. Godly parents who lead godly children and teens must include the practice of family time together, prayer, and a consistent time in the Word of God.
4. For our next Pipeline class, we'll discuss and reflect on God's Word and what our culture is doing to lead and mis-lead the next generation. Pray for God's transforming work in the lives of MBC families!
