

## Oscar & Karla Chiquito

### Hosting U.S. mission teams

IGN hosted 4 mission teams during these two months. Teams from Monroe Bible Church, Monroe WI; Bible EFC, Tomah WI; Living Hope EFC, Neillsville WI; and Faith EFC, Woodruff WI, came to serve with local churches running VBSs, home visits, youth activities, a medical clinic and teaching English. The Gospel of Jesus Christ was shared to children, youth, and adults during these activities. Mission teams are a good resource to help local churches implement their strategic plan on discipleship.

### Strategic planning process

IGN continues to serve the Jalapa Association of Pastors (JAP) on putting together a strategic plan on discipleship. JAP holds 30 Evangelical churches from different denominations. In the last four months, pastors and their key ministry leaders have been learning, discussing, and defining God's mission and vision for their own congregations. Their next steps, for the following months, are to define the church values and the strategy to accomplish mission and vision.

### Leadership development

IGN continues to train 35 pastors from the Voice of God Denomination.

The topic for these two months was the Characteristics of a True Disciple of Christ. IGN and the Pathway training team (ReachGlobal-EFCA) continues to train 11 pastors-trainers from the Mundial Extendido

Denomination. The 3-day workshop was focused on the book of Habakkuk. These pastors-trainers are multiplying the training to another 70 pastors within the denomination.

### Update of the water well at the Retreat & Training Center for Pastors

The water well is halfway done, 47 out of 100 meters (expected). However, the contractor stopped working and Oscar needs to find another contractor to finish it. Please pray for the right person to finish the project.

### Praise and Prayer Requests:

- \* Pray that God will grow the seed of the Gospel planted in the hearts of people through the mission teams.
- \* Pray for a good balance in the life of the Chiquitó family and IGN team.
- \* Pray for the beginning of the construction of the Retreat & Training Center building. \$10,000 is still needed to start with the first section of the foundation.

Thank you for your prayers, support and care for our family.
