

Ryan & Deb Wyss

Ryan was able to attend a TEAM's annual Refresh event that focuses on providing an opportunity for missionaries, staff, and organizational leaders to spend time together. It is a rare opportunity for those working with TEAM around the globe to spend time in person together worshipping the Lord, sharing ministry updates, making new networking connections, and deepening relationships.

This event was also a key transitional moment as TEAM welcomed in a new International Director. Dave Hall will take on the responsibilities of the International Director as the organization moves into a new season under his leadership.

One of Ryan's new Personnel Group responsibilities is to provide support and leadership to missionaries who are back in North America for a short period of "home assignment" after serving overseas for a number of years. The Refresh event provided an excellent opportunity for him to learn more about this new part of his role by spending time in focused conversation with several missionaries on home assignment who attended the event. It was a joyful and encouraging time to hear from them what the Lord has been doing around the world. And, the connection with two of them was especially sweet because Ryan was their mentor before they started serving overseas!

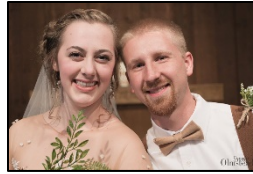

Looking Ahead...

Since September 2018 Ryan has been serving as the Associate Personnel Director, all the while planning to assume full responsibility for the group in the future. Well, the time is here! On August 1st he will officially transition into the role of Personnel Director for TEAM. Ryan is extremely thankful for the last year of mentoring and guidance he has received from the current Personnel Director and is feeling ready for the challenge of this new role. The current director, Elmer, will still be working for TEAM in other roles and will remain available to Ryan as a resource through the transition period. Please pray for this transition and the continued learning process as he begins this new role next month.

Praise for:

- An excellent year of learning and growth as the Associate Personnel Director
- Deepened and renewed relationships
