

# Oscar Chiquito – Commission to Every Nation

## Results Based on Key Ministry Areas:

### 1. Strategic Planning focused on Discipleship.

Throughout 2019 IGN has been serving the Jalapa Association of Pastors (JAP), a group of 30 pastors representing 30 churches from Eastern Guatemala. JAP pastors have discussed and defined their Biblical mission, vision, and values for their congregations. For the first 3 months of 2020 they will develop their strategy of how they will accomplish their mission and vision. This strategic plan will help 30 congregations to become intentional about making disciples.

**2. Leadership Development.** In 2012 IGN started a partnership with Mundial Extendido Denomination (MED), a Pentecostal Evangelical Denomination of 75 churches. Throughout the 8 years serving MED, IGN has accomplished the following: a) the design and implementation of a plan focused on making disciples for all MED churches, b) MED pastors were equipped to lead the implementation of the plan in their own congregations, c) 5 regional districts were established so MED churches can work and grow together, d) two leaders for each district were appointed to multiply all trainings. In October IGN graduated ten district leaders as Master Trainers. This concluded IGN's partnership with MED, which ended with a big celebration and graduation. These Master Trainers will continue to equip MED pastors in the study and teaching of the Bible, and to assure each church remains committed to make disciples of Christ. During the graduation, Pastor Atilano Palencia (MED President) said, "this graduation is just the beginning...we commit ourselves to preach the Bible book by book, chapter by chapter, verse by verse in order to make disciples of Christ." Amen!

This past year IGN also provided bimonthly leadership trainings to pastors and ministry leaders from 35 churches affiliated to the Voice of God Denomination (VGD). The goal of the trainings was to empower church leaders so they can intentionally lead the implementation of the plan on discipleship in their own congregations.

**3. Partnerships & Network.** This refers to the church-to-church relationships that have been developed with the purpose of mutually discipling each other. During 2019 IGN hosted seven U.S. mission teams that came to serve with a local church. U.S. teams were involved in medical clinics, VBS, home visits, youth activities, teaching English, and construction.
