

Welcome Back!

Please be respectful of others and especially their views on social distancing. We are striving for peace and unity (Eph 4:1-6). Please move fellowship and extended conversations outside to reduce congestion after services.

If you feel uncomfortable, even after the service has begun, we respect your choice to leave at any time you feel it necessary to do so.

We will continue to Livestream services on YouTube, post on Facebook at 10:30 am, and also on our church website.

For your convenience, there is an Offering Box on the table behind the Sanctuary for Tithes/Giving.

You may read our full "Communique to MBC" on our website.

Child Protection Training Required – Don't wait! For most of you, your child protection certifications are expiring in the next two months. Monroe Bible Church requires annual certification training for everyone who works with youth in any capacity, with background checks done every four years on adults. Now is the time to contact the church office (office@monroebiblechurch.org) with the email address you would like to use in order to complete your annual training. Once you've contacted the office you will receive an email from Mobilize My Ministry requesting information, then another email with a link to complete your training online. The training consists of a video followed by a quiz, and takes about 45 minutes to complete. The office is notified once you've successfully completed your training.
