

New Series!

Attributes & Names of God

Each week we will have a new attribute and name of God.

The purpose is so that we can memorize and meditate on the character of God. There will be a verse for each letter of the alphabet that gives a name or attribute of God. We begin our series this week with the letter 'A'.

"Almighty" (El Shaddai)

"Now when Abram was ninety-nine years old, the LORD appeared to Abram and said to him, "I am God Almighty; Walk before Me, and be blameless."

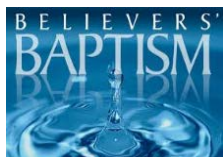

Genesis 17:1 (NASB)

We really need wisdom to conduct the ministries, understanding, and sensitive love for perishing people, which only Jesus can grant us! Coronavirus has brought everyone a good shake-up, and this is very noticeable. Everyone began to seek shelter in Jesus and prompted many people to turn to the Lord in repentance! Even those, for whom we had been praying for 20 years, repented and expressed the desire to be baptized. Many people call on the phone and ask questions about spiritual topics; everyone is afraid of vaccination and being chipped. People wake up from a spiritual dream. Despite the quarantine they invite us to their homes. The church members became closer to each other and more united. They have more diligence and zeal in reading the Bible and in prayer. There are new people, even unbelievers, who want to join our WhatsApp group “Bible for the Year”.

At the beginning of March there was no quarantine, and we all gathered in the church. There are no infected people in the village, but later it was forbidden to gather in the Church building, and we had to observe a quarantine regime. We carry out house-to-house ministry, and everyone wants us to gather at their places, for the sake of unbelieving relatives. The Lord’s Supper was performed at our home, on Easter we gathered in homes. Young people and teenagers gather to play football in the open air next to our home. They play American football, and two shepherd dogs play with them. They came up with the following rules: the team, whose dog takes the ball, will be a winner. Many new teenagers have joined, and it’s a delight!

We go with the children to the forest, to the lake, or to the river, where we all pray. We distribute Franz Thyssen’s audio sermons to everyone on WhatsApp, both believers and unbelievers.

In our courtyard we made a green corner where we read the Bible and drink tea in the mornings. There are always a lot of guests. People have become more disposed to the Word of God. They ask questions, take literature with greater desire. We give out many magazines and New Testaments. The ones who had fallen away, come back, unbelievers believe, and believers get strengthened in faith! Another benefit of the quarantine was that all children were at home. We read and prayed together, and our sons took turns reading the passages from the Bible and explaining them to others. Please pray for us!
