

Attributes & Names of God

Abraham called the name of that place The LORD Will Provide, as it is said to this day, "In the mount of the LORD it will be provided. (Genesis 22:14, NASB)

Understanding MBC's Photo/Video Agreement

This permission is only to place an individual's photo/video as a participant in ministry activities on our website, Facebook, or brochure for the promotion or advertising of events at MBC.

Livestreaming of our Worship Services are considered public events and can be posted online without permission, as long as we are not identifying individuals, adults or children.

F.Y.I. – for *any* person who posts photos or videos online, keep in mind that, in general, photos or videos taken in public places or at events can be posted without permission, as long as no one is identified. Legally, people do not have the reasonable expectation of a right to privacy at a public venue/event. It is legal to photograph or videotape anything and anyone on any public property, within reasonable community standards. Photographing or videotaping a tourist attraction, whether publicly or privately owned, is generally considered legal, unless explicitly prohibited by a specific law or statute. If you are taking photos of attendees in public group settings with the intention of only posting them on social media and not identifying individuals, liability need not be a concern. If you have intentions of using the photos in a more formal commercial capacity, advertising/promoting, then you should have a proper release drafted and get the participant's consent in advance.

Care Net Pregnancy Center would like to expand their hours at the Family Support Services Office to include evening hours on Tuesdays. At least two additional volunteers are needed. If interested, please contact Anna Anderson at 608-325-5051, director@carenetgreencounty.org, their website www.carenetgreencounty.org, or private Facebook message.
