Tracy & Karen Singleton – Action Zambia

One of the enduring lessons we learned from our missionary experience is “Be flexible!” As Americans, we tend to be more conscious of the clock and calendars than our African brothers and sisters. When our schedules don’t run on time and when events are delayed, we can get bent out of shape. Not so much with Zambians. Interruptions and delays are more a part of the fabric of life in a developing country. So, while we have been on pins and needles about the cancellation of trips and delay of courses, our Zambian partners and students have been waiting patiently. Their wait was rewarded at year’s end with two courses taught by Zambian nationals and a graduation on December 12th at the Baptist Theological Seminary of Lusaka. Unfortunately, Karen and I were not able to be with them because of the pandemic, but we worked here to administrate the finances and support their celebration. Tracy also wrote a short address of congratulations and commendation that was delivered to them by the director of Action Zambia.

Lord willing, we will be with the APC (Africa Pastors College) 2020 pastors and their wives in June 2021. Tracy will be teaching a final course on *Counseling Skills and Issues*, as well as hosting a men’s retreat, its theme being *The Biblical Way of Gospel Transformation*. He will be joined by our national partners as well as a former AZ missionary, Steve Allen and his family. We hope on that occasion to bring graduation gifts of books and to honor them as it is fitting. What a grand celebration it will be!

The much-awaited women’s retreat is in the works for the weekend of June 17-20. Once again digging deeper into God’s Word, the women will hone the bible study skills they’ve learned in the past—this time with the book of Colossians. We are both looking forward to being reunited with our Zambian brothers and sisters!

Our Future: for thirteen years it has been our privilege to be your hands and feet as we’ve served the people of Zambia. Without the Lord’s help and your faithful prayers and giving over the years, our ministry would not have been possible. A HUGE “thank you” for first giving to the Lord, and for “holding the rope” as we ministered overseas and stateside. Words cannot express our gratitude for your sacrifice on behalf of the Kingdom! While we are retiring at the end of June, our mission will continue to receive donations for our personal support until the last day of November. Our final paycheck will be December 10th. Any support received after November 30th on our behalf will be placed into a travel account for us. It is our desire and hope to return to Zambia once a year for the next two years to encourage our brothers and sisters there, since APC will continue through the efforts of the national leaders.
