Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.*

1. Can you give an example of a sin you were deceived into believing? What happened?

2. Read Genesis 3:1-7. What steps and consequences in the sin of Adam & Eve do you see?

How can you apply this? What lessons do you see in this for the temptations you and your family face?

3. In Genesis 3:8-13, we see Adam & Eve being called to account for their sin. What does this section tell us about God? About the effects of sin?

What warning statements to "not give in to sin" could you make from this passage?

4. Read the judgments God pronounced for participation in that first sin. (Genesis 3:14-19). Can you see the justice and the mercy of God? Explain.

5. What's the significance of Genesis 3:21?

6. Explain the danger, and the protection, God provided in Genesis 3:22-24.

7. Make a statement that captures the message of Genesis 3 in the form of an application. (Something you can apply, and teach your children and others.)
