Mission Trip Update

Disappointment at the cancellation of the mission trip to Guatemala has very quickly turned into a frenzy of activity as we prepare for an alternative mission in Corpus Christi, Texas! We are preparing to serve with ReachGlobal Crisis Response (a ministry of EFCA) the same week originally slated for Guatemala. We are urged to be prepared to do whatever we are asked to do in restoration of areas affected by Hurricane Harvey. We could be gutting houses, hanging drywall, mudding, tiling, insulating, painting, preparing meals, taking prayer walks, talking and praying with those impacted by the hurricane, and anything else that needs to be done. Please pray for wisdom as we pull all the details together in a short period of time. We so appreciate your generous financial support making this a possibility. We also are planning to fund the installation of the playground in Guatemala. *Kids Around the World* will send an installation supervisor to Guatemala to manage the project so that local workers can get the playground out of storage and up for use yet this summer. It was a difficult decision. The team was very excited about the project but COVID has altered many things this past year. We know God is in control and trust it is His plan for us to help in Texas instead.
