Abraham Lets Lot Choose First

—Genesis 13

Lot Chooses

Lot moved with Abraham to a place called Bethel. They had so many flocks and herds that they needed to move apart. Abraham let Lot choose which way to go. Lot chose the plain of Jordan. It had the best land and water. Abraham lived in Canaan.

Begin at the center with Abraham and Lot. Find a path through the maze so that Lot arrives at the Jordan plain and Abraham arrives at Canaan.

Lot's Choice

Abraham and Lot had many animals. There wasn't enough grass for both of their herds, so they decided to part. Abraham said, "If you go to the left, I'll go to the right." Lot saw that the plain of the Jordan was well watered.

Use the code to find out what Lot chose.

Was Lot's choice a good one?
