Letters From the 18 & 8th Recovery Community

"I want to say thank you to every person who has anything to do with 18 & 8th being available to this community.

In the recovery groups being able to meet, a new sense of community has been built. It is built on the presence of God.

I watch broken people enter the doors and am blessed to see life come back to them. See their eyes light up and a new talk of hope fill their mouth.

I am involved with the women's Alcoholics Anonymous group. This group is growing, but has seven steady members. Not only has life come back to these wives and mothers, but God's love is being introduced by them to their children and husbands. In these seven women, there are 11 affected children. These children see mom is different since she stopped drinking alcohol. They are asking what changed their mom. Now mom has the opportunity to share the love of God with them. Husbands who were ready to leave the marriage have grown closer to their wives and are more communicative.

Young, old, and in between are healed at 18 & 8th with God's love."
