Letters From the 18 & 8th Recovery Community

"What 18 & 8th means to me: This place is a safe haven for me. It is a place of healing for my addiction to food. This program, High Tide Recovery, is a wonderful program for any person with an addiction; whether it is food, drugs, alcohol, or any hurts or hang-ups that someone has. It is Christ-based because we cannot heal without God's help. He has brought Dale to Monroe to work for God and with other people to get the truth out. God is the center of this program. With the people that come, we can be a blessing to each other and have an outreach to plant a seed in the person that needs it.

With so many people who don't go to church, this is a wonderful place for them to come. Monroe needs a safe place for people to come to and not worry that they will be judged. They can just come and listen to what is being taught and take it in. They will have no pressure put on them to talk, just a place to listen and hear.

18 & 8th is an avenue for other churches who work with their parishioners who need that extra help. This place is a place of healing."
