Letters From the 18 & 8th Recovery Community

“What does High Tide Recovery mean to me? Much more than a piece of paper can tell, but I will try. We started coming to the meetings in August of 2018, we thought just to support Dale in his ministries. We soon found that we received as much or more than we gave. I soon found that there are things in my own life that were shoved aside or ignored. I’ve always thought I was being totally honest with myself and God. Coming to High Tide and listening to others learn to trust and open up has been a huge blessing; it’s amazing to see the change and growth in the group and some individuals. Coming on Tuesdays is one of the highlights of my week and causes me to pray more for the meetings and those with the hurts, hang-ups and habits. Thank you, Lord, for this amazing thing you are doing. Thank you, Dale, for your faithful ministry.”

“This church has been such a blessing for all of us AA people. It is so great to have us all fit in here and be able to speak what we feel and become all such good friends together. And we all feel so great we get so much sobriety!! It is a wonderful life!! Thank you so much!!”
