Letters From the 18 & 8th Recovery Community

“I’m new to the meetings here. I have been back only a few weeks from treatment, and I was scared to start going to meetings again because I used to always feel judged and uncomfortable at other meetings in town. Everyone kept telling me about the meetings here and how I would be comfortable and how it’s like a big family, and they were so right! I’m already extremely grateful for a place to go that is truly helping me.”

“18 & 8th is a miracle for me. I hit bottom of my addiction and lost my family, knowing it was time to seek help for my addiction that I tried to do myself for years and failed. I started with Sunday nights and Smart Recovery, added Monday night AA Big Book, Tuesday night High Tide, some Thursday night NA meetings, and Saturday morning Grapevine. 18 & 8th has given me a second home where I feel I belong. I am welcomed and can share my thoughts. I know almost everyone’s name and have phone numbers for help just in case of making a bad choice. 18 & 8th is my support family that turned my life around. We are lucky to have a place to turn to. I will always be grateful for the help I have received.”
