

MBC Current Practices Relevant to Health

- Out of respect for others, if you feel sick or have a fever, please stay home.
- If you have recently had these symptoms: new or worsening cough, shortness of breath, fever, new loss of taste or smell or have been in contact with someone who is known to have COVID-19, please stay home until your symptoms resolve and seek advice of your health care provider.
- Livestreaming of services will continue for those unable to attend.
- Hand sanitizer is available.
