RETREAT & TRAINING CENTER UPDATE**

The IGN team praises God for continuing to provide the funds for the Retreat & Training Center Project. The purpose of this project is to provide pastors, elders, and church leaders a place to train them biblically and a place to get recharged so they can grow emotionally, biblically, and spiritually. The total cost of the project is \$475,000. So far, 31% of this total has been raised. Praise God!

The IGN team and the architect are finalizing construction details. One of the challenges IGN faces is dealing with the government bureaucracy to get the Impact Evaluation Assessment and the construction permit. IGN has submitted all the documentation and expects that no further documents will be necessary. In addition to all paperwork, the City Council is charging a 2% tax (based on the total cost of the project) to provide the construction permit. The IGN team is requesting an appointment to meet with the city mayor and ask for a tax exemption, as the project will provide many job opportunities for the local people.

**Prayer Requests**

- Pray that the City Council will approve the Impact Evaluation Assessment and the construction permit in a short period of time. Pray also for the tax exemption for the construction permit.
- Pray that God will continue to provide for the project.
- IGN is in the process of hiring the contractor for the project. There are two good options. Pray for wisdom as they make this final decision.
