A Light to Your Path

I. Teach It (12-15)

We need to be taught and reminded of doctrine so that we live it.

II. Trust It (16-18)

Our doctrine about Christ can be trusted because it came from God and through eyewitnesses.

III. Take It to Heart (19-21)

We should follow what Scripture says because it has come from God.

Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.*

Warm up: What are some examples of how you've seen people respond to, or say about, the Bible?

1. Read 2 Peter 1:12-15. What is Peter reminding his readers? Why is he committed to reminding them?

If there were a few doctrines you needed reminders of from time to time, what would they be?

2. Read 2 Peter 1:16-18. What did Peter want his readers to know? Why could they know?

What are some important doctrines about Christ every believer should know, and why are they important?

Why would these doctrines be hard for one who is not yet a believer to believe they are true? How would you try to help them believe?

3. Read 2 Peter 1:19-21. What did Peter assure his readers? What purpose would be served in assuring them of this?

If this is true, how should it affect our thinking about the Bible?

4. What's one application you can make from this passage?
