Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.*

Warm up: Have you listened to a speaker and recognized they were not teaching the truth? How did you know it was not true?

1. Read 2 Peter 2:1-3. What all did Peter say about false teachers?

Can you think of examples(s) of false teachers today who exhibit some of what Peter describes here?

How can we protect ourselves and our families from falling for the message of a false teacher?

2. Read 2 Peter 2:4-10a. Peter makes his point in verse 9. What does he say God will do for the unrighteous, and what does that mean?

What does Peter say God will do for the godly? What does this mean and how does God do it?

What response does God want from you in knowing this?

3. Read 2 Peter 2:10b-11. What does Peter say characterizes false teachers here?

What application for yourself can you see from these verses?
