

Attention!

Parents: Do You Know Where Your Children Are?

Parents, please instruct your children.

- Children should not run in the Sanctuary, hallways, or anywhere people are standing or walking. This has become a safety concern for others.
- Children should not go unsupervised in rooms including the kitchen, AV room, bathrooms, or lower level. We've had reports of unnecessary messes and damaged items and people hurt.
- Reminder to parents and teachers of children grades 2 and younger that parents need to pick children up from their Sunday School classes.

Parents, communicate to your children that if they are told to STOP by any adult, they need to stop!
