

Our Current Cultural & Church Problem & the Need for Disciple-Makers

Text: Matthew 9:35-38

The Three Steps to Love: See, Feel Compassion, and Act

Compassion is our motivation for Mission

The solution to our cultural and church problem is to get serious about making Disciple-Makers

Question 1: What would need to change in your life for you to feel more confident and equipped to make disciples?

Question 2: If you were to make disciple-making a priority in your life, how can you better spend your time? How can you put yourself in places to be used by the Lord?

How can the church better equip and mobilize workers for our mission field?

People are available Sunday mornings at the conclusion of each service to pray confidentially for your concerns. Simply come to the front as others are leaving ~ look for those wearing name tags. You can also email us your prayer requests.
