Application Questions - These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.

1. Have you had someone betray you? What did you do? What was the result?

2. Read Mark 12-25. What significant things can you see that Jesus did? What do each of these things tell you about Jesus?

3. Read Mark 14:26-31. If you were one of the disciples, do you think you would have assured Jesus that you wouldn't fall away? If so, what would be your reason(s)?

4. Read Mark 14:32-42. How would you describe Jesus' prayer?

What do you think was the temptation Jesus warned Peter about?

Have you faced the same kind of temptation? How does a person overcome this kind of temptation?

5. Read Mark 14:43-52. How would you describe each of the 4 groups present – Jesus, Judas, the disciples, and the soldiers?

What do the words and conduct of Jesus teach you about what to do when others let you down, or sinfully attack you?

How are the words and conduct of Jesus on that day an encouragement to you today?
