Application Questions - These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.

Before answering the questions in this study read question 3.

1. Read Luke 4:16-30. People in Jesus' hometown heard some amazing things about and from Jesus. Who did He tell them He was?

Why would it have been hard to accept?

Can you think of any thoughts or feelings we might have about Jesus today that would keep us from accepting and relating to Jesus for who He really is?

2. In Luke 4:31-44 we see three areas in which Jesus demonstrated that He was who He said He was to His hometown people. They are listed below. For each one, explain how knowing and believing these things can be refreshing to your relationship with Jesus.

a. His preaching

b. His power

c. His priority

3. What one thing do you think God wants you to take from what you learned in this passage (something to know, stop, change, or do) that can have a transforming effect on your relationship with Him?

People are available Sunday mornings at the conclusion of each service to pray confidentially for your concerns. Simply come to the front as others are leaving ~ look for those wearing name tags. You can also email us your prayer requests.
