Sunday School Christmas Musical

We are excited to announce we will be doing a Christmas musical play with the Sunday School group. The presentation will be at 7:00 PM on **Sunday, December 10th** so please come and cheer on the youth of our church. If you don’t regularly attend Sunday School, maybe you’d be interested in coming for the holiday season and being a part of the fun. Practices are on Sunday mornings from 9-9:15 AM at the beginning of Sunday School. There will be one big practice with the skit and songs together when we get closer to the presentation. We still need 4 small characters that would only have 2-4 lines; if you’re interested, please contact Sue Newberg at 815-601-1277. If you need a CD for your kids to listen to and practice at home, just let Sue know. Please put December 10th on your calendar and come out to bless the Christmas season with all our youth!

*A Celebration of Life service for both Marianne Hoffman and Jan Burke will be held **Wednesday, November 29th** at 11 AM at MBC with a luncheon to follow the service.*

If you would like to share a word of testimony about how Jan and/or Marianne have impacted your life, please write it out and give it to one of the Pastors. Let them know if you would like to audibly speak it as well. Please be concise as there may be many who want to share.

PIPELINE ADULT SUNDAY SCHOOL

New 3-week series begins **today, November 19th** at 9:00 AM in the Nehemiah Center: **MENTAL HEALTH, ANXIETY AND GENDER IDENTITY**. Our families, children and teens are growing up in an ever-changing world and need parents and mature adults to help them understand how to navigate emotions, mental health, and what is a biblically healthy response to the worldly confusion. In the next few weeks Pastor Troy will share some resources from a co-partnership between Axis.org and Awana. A Parent's Guide to helping your children and teens with Anxiety, Emotions, and Gender Identity will be provided in class. The issues most in the forefront will be defined in class and discussion will include how to approach these issues with children, teens, and young adults.

If you are interested in a better understanding of the culture and mental health status of societies, children, and teens, or if you simply want to know and discuss what tides are changing our culture, schools, businesses, and even our authorities, join us **Sunday, November 19th, 26th, and December 3rd** at 9:00 AM in the Nehemiah Center.
