Today's Reading:
Luke 11:14-54

Today, at church I learned:

FAITH

What is faith?

Faith is believing in God. Someone that we cannot see with our physical eyes but we can still know Him. We can have a relationship with God because of His gift to us, the Holy Spirit who lives in us.

Faith is not something we only have at church or during family devotionals. It is a part of everything in our lives. Our faith impacts how we act at school, at home, or at play. Faith is like a muscle, if we spend time practicing our faith will grow stronger. We need to have a strong faith to face the challenges of the world today.

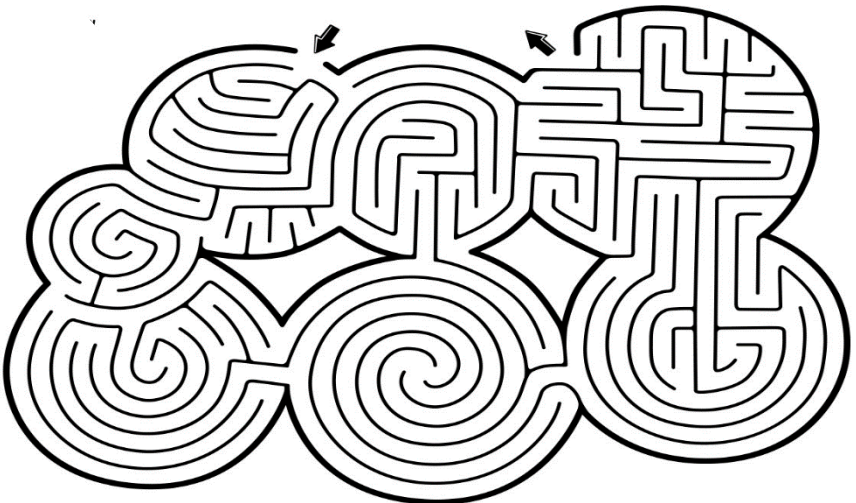

Faith is not just something that we have but it is something that we can live out through our actions. When other people see our faith, they might also want to know about God.
