Application Questions - These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.

1. Read Luke 14:1-6. Who are the "they" in verses 1, 4, and 6? What point is Jesus trying to make to them?

Have you ever declined to help someone who was suffering? Explain.

2. In verse 11 of Luke 14:7-11, Jesus makes the point of His parable. Is Jesus encouraging false humility to gain recognition?! Explain.

Why would Jesus want you to strive to be humble?

3. Have you ever done what Jesus said to do in Luke 14:12-14? What happened? Why is this hard to do?

4. Read Luke 14:15-24. Why are the excuses lame? What do the new invitations symbolize? What message is Jesus giving His listeners?

What are some of the "not now" excuses people make today? How should You respond?

5. Read Luke 14:25-35. From what Jesus says in these verses how would you define a disciple?

Do you consider yourself a disciple of Jesus?

What helps you follow Jesus as a disciple?

Are you a disciple-maker? What hindrance(s) challenge you? What helps You? (Ex: encouragement, equipping, ??)

People are available Sunday mornings at the conclusion of each service to pray confidentially for your concerns. Simply come to the front as others are leaving ~ look for those wearing name tags. You can also email us your prayer requests.
