**Welcome to Pastor Kevin
and the Clark Family!**

Today, at church I learned:

It is easy to love those we enjoy being around. Friends, family, and those who make us happy are easy to show and demonstrate God's love to. But God calls us to show His love to EVERYONE! In the Bible, Jesus says "They will know you are my disciples by your love for one another." (John 13:35)

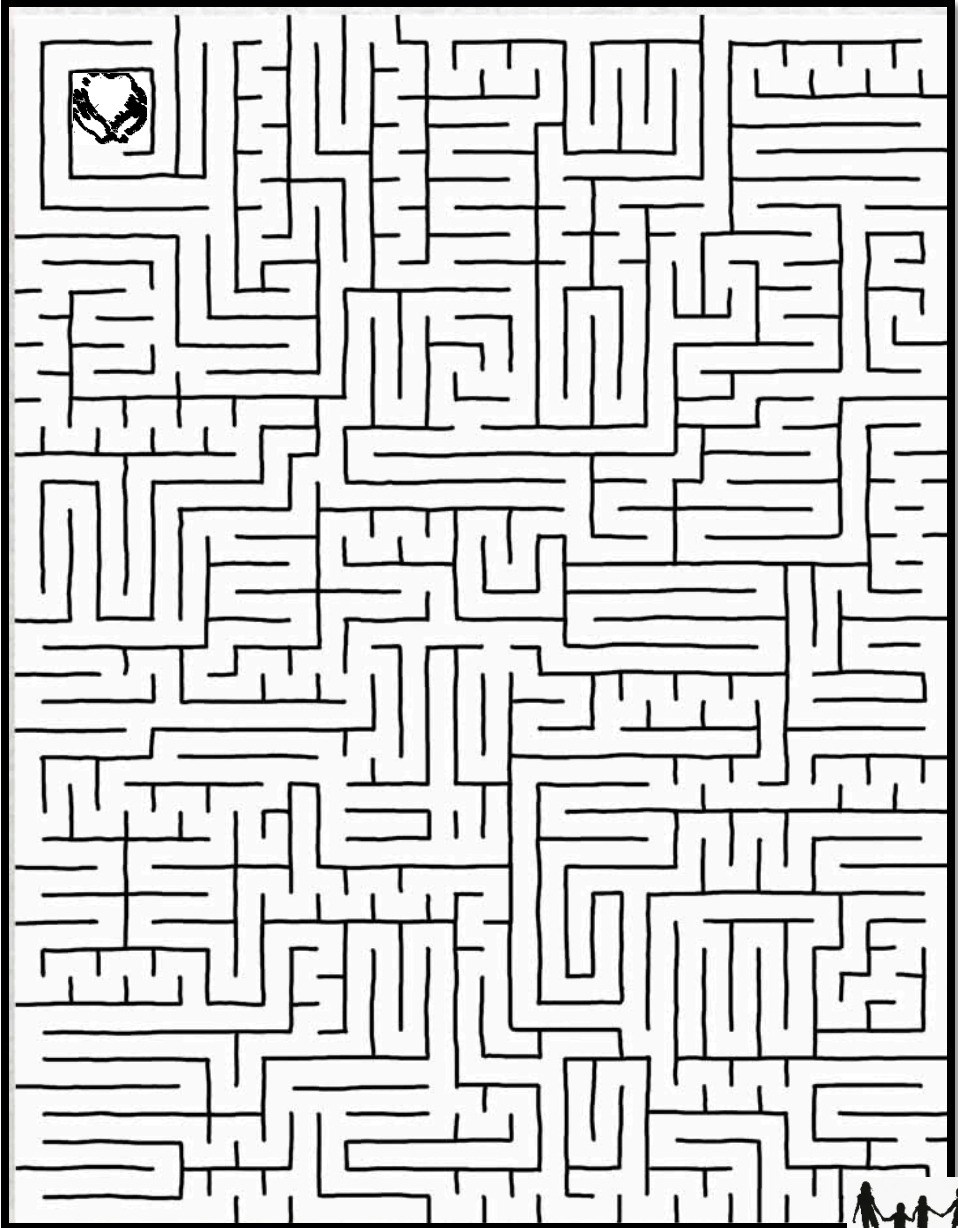

There is another set of verses in 1 John 4 that says:

"Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love."... "We love because he first loved us."

Do you remember how God showed us that he loves us?

How can we show God's love to others?

God loved us so much he sent his son, Jesus, to make a way for us, sinners, to live with Him in heaven. It is because of God's love for us, not our love for God that we have a way to live in Heaven with Him. And since God loves us that much, we should love each other. One way we can show God's love to others is by encouraging them.

Your challenge this week: Will you find someone this week that needs to be encouraged? It can be a neighbor, a friend, someone at school, or someone in your family. You can tell them things like “I love spending time with you,” “Great job,” “I see you working hard,” or use your own words to encourage and build them up.
