Today's Reading:
Titus 1:5-9

Today, at church I learned:

Remember from last week: We started studying a new book of the Bible, Titus. It is actually a letter written by a man named Paul to Titus helping him lead the church on the island of Crete.

Paul writes to Titus, instructing him to place leaders, known as elders, in each town on the island. He gives a list of qualities that each elder must have in order to be chosen to lead.

Read, or have someone else read to you Titus 1:5-9.

Which of the following qualities below do you think Paul told Titus to look for when finding a good leader? **Cross out the ones that are incorrect.**
