Dave Warn is the author of the 2024 Amazon bestseller *Called to Contend: America's Conflict with God and What to Do*. Dave and his wife, Renae, were part of a deep move of God at the University of Wisconsin – Madison in 1995, where they ministered from 1993-2002. Upon moving to Michigan, Dave served as the director of *Collegiate Impact* until 2014, preaching God's Word across the nation to see college students' hearts ignited for Christ. This season prepared Dave and Renae to launch *Forerunners of America* in 2014, a ministry to warn the nation of America's dangerous position before a holy God and to challenge God's people to respond in faith. Dave and Renae have lived in Monticello, Wisconsin since 2023. Please come and invite a friend!
